

# Pre-publication Consultation on the proposed closure of Virgo Fidelis Convent Senior School

**Consultation period: 01 October 2020 to 23 October 2020**

## Consultation document

### About the school

Virgo Fidelis Convent Senior School, is a Roman Catholic voluntary aided secondary school for girls aged 11–18 located in Upper Norwood in the London Borough of Croydon. The school is part of the educational provision of the Archdiocese of Southwark and the London Borough of Croydon. The school is situated at 147 Central Hill, Upper Norwood, London, SE19 1RT.

### The Proposal

The Interim Executive Board [IEB], in consultation with Croydon Council and the Archdiocese of Southwark have agreed to commence the statutory process for the proposed closure of the school in August 2021 following completion of Year 11 GCSE examinations.

### Reason for the proposed closure

The IEB, Croydon Council and Archdiocese of Southwark share the collective view that the school is no longer viable. There are several reasons contributing to this shared view, chiefly:

- the majority of the buildings estate needed for a viable 11-16 secondary school is unfit for purpose and in poor repair (these portions of the estate are currently out of use)
- the pupil roll has fallen consistently over the past several years
- the school budget has been in deficit over the past several years with the school now in significant debt.

As a consequence of the above, as well as other factors, the school is increasingly hampered in its capacity to deliver a broad and balanced curriculum that it would be reasonable to expect of a modern secondary school now and in the immediate and longer term future.

### Statutory requirement

In line with the Department for Education's (DFE) guidance: *Opening and closing maintained schools, Statutory guidance for proposers and decision-makers, November 2019*, subject to approval, the council will be following the statutory process for closing a maintained school which consists of 5 stages:

**Stage 1: consultation** - it is a statutory requirement to consult any parties the proposer thinks is appropriate before publishing proposals. It is for the proposer to determine the nature and length of the consultation. The purpose of this consultation is to seek the views and engage with those that will be directly affected by the proposed closure of Virgo Fidelis Convent Senior School.

It is also an opportunity for interested parties to suggest options for consideration on the proposed closure of Virgo Fidelis Convent Senior School in August 2021.

**Stage two: publication** - A statutory proposal should be published within 12 months of the initial consultation period being completed.

**Stage three: representation** - The representation period starts on the date of publication of the statutory proposal and MUST last for four weeks. Any person can send objections or comments on the proposal to Croydon Council.

**Stage four: decision** - The LA will be the decision-maker on a school closure proposal.

**Stage five: implementation** - There is no maximum limit on the time between the publication of a proposal and its proposed date of implementation.

### **Impact of the closure**

#### Years 7 and 10 pupils

The Office of the Schools Adjudicator approved the suspension of entry to Year 7 for September 2020. Year 7 pupils who accepted a place at Virgo Fidelis have been offered an alternative school place at Notre Dame High School, an all-girls' Roman Catholic comprehensive school situated in Elephant and Castle; or another school of choice. Year 10 students will be taught on the site of St Mary's Catholic Secondary School. Subject to approval of the proposed closure of Virgo Fidelis, the governors of St Mary's Catholic Secondary School have agreed to retain the Year 10 pupils as they move into the final year of their education in a COVID-secure and single-sex location away from the rest of the school. The pupils who remain will be enrolled at St Mary's for Year 11.

#### Current Pupils

Years 8 and 9 will be offered alternative places at other schools, subject to approval for the proposed closure of the school. Year 11 pupils will have completed their GCSE examinations in July 2021, and the proposed closing date of the school is August 2021.

#### Staff

The Local Authority and Diocese will work collaboratively to seek to redeploy all staff, or as many as possible, into alternative positions in other schools locally.

#### Community

Local residents will have the opportunity to express their views during this consultation and the representation period.

#### School Places

School roll projections indicate sufficiency of secondary school places across the Borough for the next 3 years, however this will be reviewed / monitored if the proposed closure of Virgo Fidelis is approved.

#### Balance of denominational provision

With regards to diversity of education provision and parental preference, the proposed closure will reduce the number of Roman Catholic school places available in the Borough if an alternative plan has not been agreed by the Diocese.
